1. GENERAL PRODUCT INFORMATION

Product description

Pasta cup (460 ml) with a retro design, made from sturdy laminated cardboard. A leak-proof and stackable solution for take-away pasta. This pasta cup is designed for professional take-away and delivery concepts. The laminated cardboard construction provides sturdiness and a reliable, leak-proof performance. The cups are efficiently stackable, which saves storage space.

With a capacity of 460 ml, this cup is ideal for a standard portion of approximately 200 grams of pasta and 100 grams of sauce. The glossy finish and retro design contribute to a professional and recognizable presentation of your dishes.

This product is suitable for hot dishes and combines ease of use with a quality appearance, ideal for food trucks, events, and quick-service points.
