1. GENERAL PRODUCT INFORMATION

Product description

Pasta cup (460 ml) with a recognizable pasta design. Made from laminated cardboard for a sturdy and functional take-away solution. This pasta cup is designed for functionality and recognition. The laminated cardboard construction guarantees a sturdy and leak-proof product suitable for hot dishes. The cups are efficiently stackable.

With a capacity of 460 ml, the cup is perfect for a standard portion of approximately 200 grams of pasta with 100 grams of sauce. The print featuring pasta ingredients ensures clear product identification and a professional appearance.

This product is a reliable choice for any take-away or delivery environment where speed and proper presentation are essential.
