Art. no.	SP16
Product name and packaging	GNLiner 1/6 deep (1 x 100)
EAN trading unit	5413835330146
EAN sales unit	5413835330139
Intrastat	39219090

1. GENERAL PRODUCT INFORMATION

Product description

Protective liner for 1/6 size Gastronorm and bain-marie pans. A hygienic solution that reduces cleaning time. This GN Liner is a heat-resistant, food-safe protective film that fits perfectly into a 1/6 Gastronorm pan. The liner protects your pans from direct contact with sauces and other hot preparations.

Using a liner eliminates the need to scrub caked-on bain-marie pans. After service, the film can be easily removed and disposed of, saving significant time and labour on cleaning.

Ideal for keeping sauces, toppings, or smaller side dishes warm. The product increases hygiene, extends the lifespan of your equipment, and optimises the workflow after service.

2. Packaging

Data	Trade unit (TU)	Selling Unit (SU)
EAN	5413835330146	5413835330139
Contents (pieces)	10 x 100	100
Type of packaging	box	box
Package dimensions	420 x 540 x 250 mm	200 x 400 x 55 mm
Empty package weight	870 g	200 g

3. Logistics data

Total number per pallet: 20

Country of origin: BELGIUM
